

Talking homework 25th January 2017

Next week we will be learning about Room on a Broom and making our own broomsticks. Therefore we would like children to have a go at making a broomstick at home. What will you use to make your broomstick? How long will it be? Can you measure your broomstick? Please take a photo or draw a picture below to show us your broomstick.

A large, empty rectangular box with a thin black border, intended for children to draw or take a photo of their broomstick.

Parent Comments:

A rectangular box with a thin black border, intended for parents to write their comments.
