

Science: Animals, including humans.  
Looking at identifying parts of the body  
and exploring our senses.

Maths: Counting, ordering and comparing  
number to 100. Developing strategies for  
addition and subtraction; 2D shape and  
time; measuring length.

Literacy: Read, Write, Inc 3 x days a week  
and more discrete writing skills 2 days a  
week. In our literacy we will be focusing  
on recounts, diary writing, familiar  
rhymes and simple information texts.

PE: Every Friday, with Mr Meller our specialist  
sports coach. Please have White t-shirt, black  
shorts, plimsolls for indoors; trainers, fresh  
socks and navy/black tracksuit for outdoors.

This term:

### Y1 Curriculum Newsletter – Term 1 Topic: Memory Box

This term we will be learning about  
changes in and before our lifetime, how  
we change as we grow and what it was  
like to be a baby.

Topic: Changes within living memory to  
us, our families and the local area.

PSHE: caring for babies and young  
children

Big Write - simple descriptions and diary  
writing

Religious Education: Celebrations for  
Christians (Weddings, Christenings,  
Harvest)

Creative development:

Art - Drawing and painting; self and  
family portraits

Music: Songs that help us remember;  
writing a class song

Design Technology: making picnic food;  
celebration cards; making a memory box

Children MUST complete homework on a  
weekly basis, using the homework framework  
- choose one piece weekly and submit by  
Friday. Support with daily reading, practice  
words and show this in the reading record.

Don't forget!  
Water bottles, book bags, jumpers and coats  
every day. Please always ensure PE kit is in  
school too.

Remember, while your child has a set reading  
book change day we are happy to change  
books as often as required, put it in your  
class box in the morning! Thank you very  
much for your continued support.  
Miss Hall & Miss Marwood
