

## Year Three - News Letter

To all Year Three parents/carers:

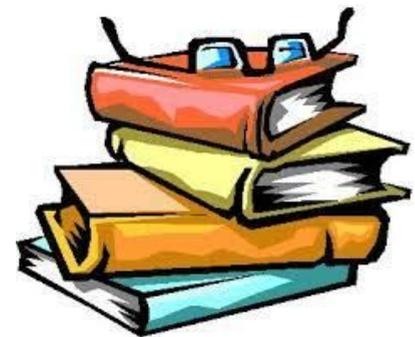

Our Topic this term is the Measly Middle Ages.

We will be learning about King John and the Magna Carta, King William and the Battle of Hastings, King Edward III and the Hundred Years War, as well of lots of exciting things about castles and lords, and peasants.

Our History, Geography, Art and D&T will all be linked with our topic. We will be building 3D model castles, Illuminating manuscripts, sketching artefacts and learning about castles all across the UK.

### **English.**

In English this term we will be using what we have learnt during History to write our own stories about King Arthur. We will be looking at how we can include all of our skills that we have been learning to create some incredible pieces of work. We will also look at how we can be persuasive in our letter writing.

### **Maths.**

In Mathematics we are looking at securing our skills with multiplication and division. We will then use these skills to answer questions we may come across when we are out and about. We will also be looking at fractions and how much of a pizza we would like to eat. We will learn how to decide which fraction is bigger and why it is.

### **Science.**

Science will continue to be taught by Mr. Cherry this term. They will be looking at plants and animals and how they are reproduced. They will continue to use the Ipads to carry out research as well as completing practical work.

### **R.E**

Our Religious Education this Term will revolve around the exploration of Bible stories and parables. We will listen to many different bible stories in class and be discussing Christian celebrations, including Christmas.

### **P.E**

Our focus for P.E in Term 3 will be Hockey. The children will be taught to participate in Hockey as a team game, as well as developing simple tactics for attacking and defending.

The children will develop fundamental movement skills and become increasingly competent and confident in their agility, balance and coordination.

Many thanks for your continued support.
