

### English -

In English, we will be learning about fantasy stories and focusing on using grammar. We will also be covering recounts and poetry.

If your child enjoys particular stories; please encourage them to read at home! We have recently replenished our library corners, so there are plenty available.

### PE

This term we will be having swimming lessons at the Embassy Swimming Pool. **please ensure your child brings their swimming kit and voluntary contribution if possible.**

### Maths

Our Maths learning this term will involve: number and place value, geometry, addition and subtraction. We will be starting with number and moving to geometry in the later weeks. If you can practice any real life examples of this - please do!

### Computing -

In computing, we will begin to look at digital media and discussing the role of Computing in a technological world. We will be exploring different ways of producing and storing data.

### PSHE

Our PHSE topic this term is 'Going for Goals'. We will also be focusing on setting and achieving realistic short term and long term goals for each child.

## Anglo-Saxons

### Year 4 Term 3

### History

In history this term, we will continue our learning about Anglo-Saxons. We will be learning facts and looking at how they lived. We will also be organising a timeline of various events in British History.

### PHSE -

This term is 'Going for Goals'. We will also be focusing on setting and achieving realistic short term and longer term goals for each child.

### Geography -

This term will be taught through our History lessons, looking at Anglo Saxon settlements. We will be focusing further on Geography throughout term 4.

### Homework -

Homework has been sent home. Your child needs to complete one task per week.

Reading: Please remember to sign your child's reading record book after they have read at home.

Uniform: Please check the school website for school uniform and PE uniform expectations.

Water Bottles: Children are permitted to bring in a named water bottle, which they will be allowed to access during learning time.

### Art -

This term will involve lots of exploration. We will be looking at creating collages and using the work of a variety of artists for inspiration. You can help your child at home by suggesting they create a collage to bring in to show.

### In Spanish -

This term, we will be learning about greetings and counting. We will be learning how to greet others in Spanish and practicing how to count.

### RE

This term will be focused on Christianity. We will learn about significant religious stories and figures.
