

Maths: This term we will be revisiting the four operations including multi stepped problems, interpreting graphs and tables and also revisit converting measures and fractions.

Science: This term we will learning about forces and Earth and Space.

Spanish: This term we will be learning the spanish colours and adjectives to then describe animals. We will revisit Spanish numbers, months of the year and days of the week. We will also learn about birthdays, hobbies and writing about themselves.

P.E: Please ensure your child has their PE kit in school on a daily basis now the weather is getting warmer and leading up to sports day practices. This term Year 5 will be focusing on athletics, and then after the half term break we will be learning how to play tennis.

ICT- This term year 5 will be looking at our computing skills through Microsoft word and Microsoft powerpoint. We will use these skills to create an Egyptian presentation. We will also revisit Internet Safety.

R.E: This term, we will learning about the Sikhism religion - its origin, festivals, places of worship and symbols. Then we will be moving onto the Muslim religion - its origin, festivals, places of worship and symbols.

English: This term we will be writing our own legend stories, reports, discussion texts and completing "Take one book" and "Take one poet" weeks. This will involve focusing on one particular author and poet and learn and write in the style of them. All of our writing will be focused around our topic of Ancient Egypt.

Ancient Egypt

Year

5

Summer Term

Music: This term we will be listening to Egyptian style music, specifically chants that may have been used to worship Gods. We will then learn about singing in Ostinatos and using skill when planning, performing and evaluating our own Egyptian chants.

History: This term we will be investigating Ancient Egyptian rituals such as, Mummification, looking at the hierarchy and crime and punishment in Ancient Egypt. We will be learning about the pyramids, tombs and relevant buildings e.g. the Sphinx and Obelisk and Egyptian Pharaohs, Gods and Goddesses.

Geography: This term we will be learning about the water cycle, climate zones and biomes, rivers, settlements and using maps to locate areas within Egypt. We will also be learning about the history of Egyptian farming and the flooding of the River Nile.

Art and D.T: This term we will be learning how to use different oil pastel techniques. We will use these techniques to recreate Egyptian Pharaoh portraits and a scene in Ancient Egypt. We will also learn how to use different sketching techniques.

Homework and expectations: Children will receive a sheet of homework options that will last them till the end of the year. They must choose a different task each week and bring the individual task completed on the Monday each week. Children are expected to read and practice their spelling from their log books for at least 10 minutes every day. Please make sure your child spends time reading both their stage and Accelerated Reader books.

Please make sure your child has a water bottle in school every day, especially with summer approaching.
