Friday 9 June

Dear Parents and Carers,

Welcome back to Term 6! What a busy term we have ahead of us with lots of exciting events and activities in the pipeline. I am pleased to let you all know that Seathorne are currently embarking on a journey towards introducing a new and revamped curriculum. The Cornerstones Curriculum will allow children to further engage in their learning, whilst developing their knowledge, skills and understanding through a variety of inspirational themes and cross-curricular approaches. The children will be encouraged to apply their learning in innovative ways and opportunities to express their learning with the rest of the school, and their parents, will be increased. We look forward to sharing more information with you all as we begin to roll this out for September 2017.

Seathorne In the News:

Look out for the Skegness Standard article celebrating the successful exchange that took place between Seathorne and Roswitha Gymnasium - a school in our Twin Town of Bad Gandersheim.

News and Events

Sadly there will no longer be a German club running on a Tuesday night.

Parents of children in Reception are welcome to come into school from 1.15pm on Thursday 15th June to help their children build dens.

Reminders

CHILDREN NEED TO HAVE WATER BOTTLES IN SCHOOL EVERY DAY, CUPS FROM THE WATER FOUNTAIN WILL ONLY BE AVAILABLE DURING BREAK TIME.

However, children can fill up their own bottles from the water fountain.

Please pay for breakfast club and adventurers afterschool club on the day or in advance.

Head Lice alert

We would urge you to check your child's hair for lice over this week as there have been reports of lice in school.

The wet combing method works best and doesn't require the use of bought chemicals.

Dear There Sa May

My name is Olivia Roby and I am year 4 at Seathorne Primary School Skegness. I am writing to you today because I want to discuss the issue fox hunting. I believe fox hunting should be banned. This is a big issue in Britain today and many people agree with my point of view. I hope you will take the time to read the following arguments.

We all know that everybody has their differences but this one is getting to become a big issue to lots of different people in the UK but both arguments are right and wrong. Because foxes are good and bad in some places.

I have another issue to kindly say to you: At least 70% of the UK don't agree with fox hunting. Please may you think about the 70% people in the UK.

Thank you for reading my letter to your self. As written back to Seathorne Primary School. Yours Summer Lu
