Polite Notice

We are quite concerned at the number of children who only have one contact telephone number or current numbers are not recognised.

Also, a number of children leaving school early for non-urgent reasons.

In case of emergency

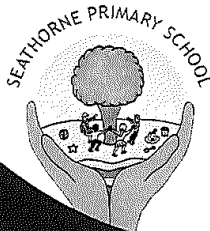

It is essential that we are able to contact you during the school day. Please make sure you keep the school updated with at least two contact details.

Collecting Children from School (During the School Day)

It is very important to let the school know in advance whenever possible that you will be collecting your child during the school day. Permission for this can only be given for medical appointments (supporting evidence required for our records please) or other URGENT matters. When collecting your child please go to the office and the office staff will contact the classroom.
