Student Leadership Team News

This term, our Student Leadership Team has been busy recruiting Year 5 and 6 children to become part of the Job Squad - a task force of children that will help out with jobs around school.

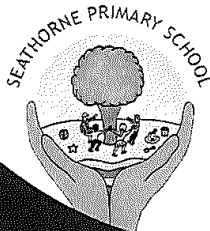

The student leaders have created job advertisements, application letters and have also carried out a fair, but rigorous selection process. They have even put together letters to notify the unsuccessful candidates that they will be kept on a reserve list just in case a position becomes available in the future.

We would like to congratulate the children listed below on their successful applications and look forward to the help they bring to their first job which will be developing the organisational systems in the school library.
