Parent Information Meetings

Thank you to all who came to the information meetings. I hope you found them useful, and helped you to prepare for the challenges that your child will have in the coming year. Just to reiterate, if you have any spare time, and would like to come in and help in your child's class, please let us know. We will need to complete the necessary safeguarding checks, but welcome all help that is offered.

Reading

We are having a huge drive on reading in school and would very much appreciate your support in this. We are changing books regularly, to maintain reading momentum, and have times in the school day for the children to read class books, read books of choice and also to listen to high quality texts and novels. If you could support us by listening to your child read for ten minutes each day, or give your child some quiet time to enjoy their book on their own, we would be really pleased.

Seathorne's Journey to Outstanding

We welcomed the MP for Skegness and Boston, Mr Matt Warman, to school on Friday. This was an opportunity to see for himself, the brilliant work we have been doing at Seathorne, to make it a GOOD school. He was very impressed with the behaviour and engagement of the children, and could see the bright and stimulating learning environments that we provide for the children. The Student Leadership Team led him on a tour of the school, where he joined in some Rhyme Time with Nursery, observed some pond activities with Year 1, listened to the presentation by our Lincolnshire Show children, smelt some delicious cookies being baked by our Citizens of the Week, chatted with Year 4 artists, watched some awesome intervention work and then spoke to our Key Stage 2 in their Celebration Assembly.
